My dream holiday is in Amalfi, Italy.

It's a small town on the coast with colorful houses, beautiful views, and amazing beaches.

I choose the places because I love Italian culture and the sea.

In Amalfi, I want to ride a Vespa along the coast, swim in the sea, and take boat trips.

I also want to visit the cathedral, walk through the town, and take many pictures.

I prefer to stay in a cozy hotel with a sea view. I love the sea idea of waking up and seeing the blue water from my window.

In Amalfi, I want to eat Italian pizza, fresh pasta, and drink lemon juice.

I also want to try gelato and seafood like mussels and clams.

This vacation is perfect for me because I enjoy the beach, good food, and peaceful places. Italy is beautiful and I feel happy in sunny towns like Amalfi.
